

Events & Opportunities Calendar 2024

Explore the Official CCBC Events in Canada for 2024. This media kit provides an overview of scheduled events, including conferences, workshops, and business meetings.

50 years Promoting International business

The CCBC was established 50 years ago with the purpose of fostering relationships between Brazil and Canada, facilitating business and cooperation across various sectors.

Through **events** and **content**, international missions, customized projects for internationalization and market expansion, the CCBC has positioned itself as the bridge between strategic players, strengthening the link between the public and private spheres, generating and identifying opportunities for companies within this business ecosystem.
